VACCINE MANDATE

<p>Q. I received a passing score on the FCA. What is the next step?</p>	<p>A. You also need to submit an application at <a href="https://www.governmentjobs.com/careers/lacity">https://www.governmentjobs.com/careers/lacity</a> by June 15, 2022. The LAFD hiring needs and City funding of positions dictate when tests are scheduled. <b>The application filing period and FCA registration are both open through June 15, 2022. Interviews are anticipated to begin during the application filing period. After June 15, 2022, we do not anticipate accepting applications again until 2024.</b></p>
<p>Q. If I am currently in the background portion of the selection process, should I register and take the new exam?</p>	<p>A. While there is a new test in 2022, the administration of the 2020 Firefighter exam is still ongoing. There are many candidates who have been and are participating in the various stages of this selection process that was initiated in 2020. Candidates should continue participating in this process.</p> <p>All candidates in the 2020 exam may also compete in the upcoming 2022 selection process, if they so choose. As indicated on the 2022 Firefighter job bulletin, if you received a passing score on the FCA in 2016, 2018 or 2020, you DO NOT need to retake the FCA, but you must reapply to be in the 2022 process as well.</p> <p>Being a Firefighter with the Los Angeles Fire Department is a highly desirable and rewarding career, so the selection process is extremely competitive. Each candidate/applicant must decide how s/he can be most competitive, and that may include competing in both the 2020 and 2022 Firefighter exam administrations.</p>

## INTERVIEW

<p>Q. Can I change my interview date if I am going to be out of town?</p>	<p>A. If you are unable to appear at your scheduled interview time, please call (213) 473-9060. Under Personnel Department Policy 19, candidates in OPEN exams may request a late test only if they are unable to take it as scheduled because of religious beliefs, an error by Personnel Department staff, or military commitment.</p>
<p>Q. Will I be selected to interview sooner if I receive a high FCA score?</p>	<p>A. No, only a passing score is required. We cannot advise on when you will be invited to the interview. However, candidates who apply early may be invited for an interview during the filing period.</p>
<p>Q. What is Stratified Random Sampling (SRS)?</p>	<p>A. Being a Firefighter with the Los Angeles Fire Department is a highly desirable and rewarding career, and there are always many thousands of applicants competing for only a few hundred Firefighter jobs. Because the LAFD's hiring needs do not require thousands of applicants to be processed, applicants are selected to move forward in the selection process using stratified random sampling.</p> <p>The stratified random sampling method involves randomly sampling from the applicant pool to produce a smaller group of applicants that is demographically proportionate to the original pool of applicants. For example, if 10% of the total number of applicants are Female Hispanic, 10% of the smaller group of applicants invited to interview will be from the Female Hispanic group. Regarding the number of applicants that will be drawn from the applicant pool, consideration will be given to the number of candidates necessary to be examined that would result in a sufficient number of eligibles on the list to satisfy the hiring needs of the Fire Department.</p> <p>Applicants who are not invited to interview will be considered in the next rounds of sampling under this job bulletin. As for the 2020 administration, all eligible applicants were sampled.</p>
<p>Q. What was my interview score?</p>	<p>A. It typically takes up to 6-weeks to process and send out scores. Candidates are encouraged to check their email on a regular basis.</p>

## BACKGROUNDS

<p>Q. I got the same score on the interview as my friend and we have the same background. Why is he moving forward when I am not?</p>	<p>A. Each candidate is rated separately and evaluated on their individual choices, judgments and behaviors. A candidate may think they have the same background as a friend but in fact everyone is an individual.</p>

## CPAT / EMT

<p>Q. Is a paramedic certification better than an EMT certification?</p>	<p>A. A valid EMT certification is required by the background investigation to be considered further in the selection process. Paramedic certification, which requires more training and is beneficial, is not required. However, it may be considered in identifying those applicants in the 2022 process using a Selective Certification.</p>
<p>Q. Does the EMT certification have to be issued in California?</p>	<p>A. A valid EMT certification is required by the background investigation to be considered further in the selection process. A valid EMT certificate is required prior to hire. Local candidates are required to submit a current, valid California State EMT license. Candidates from out of state must submit a current National Registry EMT / or higher certification. If you have an out-of-state certification, you qualify for California certification. For more information go to <a href="http://www.emsa.ca.gov/EMT">http://www.emsa.ca.gov/EMT</a>.</p>
<p>Q. Does the CPAT have to be issued in California?</p>	<p>A. A valid Candidate Physical Ability Test (CPAT) is required by the PIQ/Baseline fitness to be considered further in the selection process. A valid CPAT is required prior to hire. The City of Los Angeles will <u>only accept the Candidate Physical Ability Test</u>. Local candidates can find agencies and test centers at <a href="http://www.cffjac.org/go/jac/cpat/">http://www.cffjac.org/go/jac/cpat/</a>. Candidates from out of state must submit a current CPAT from the CPAT National Testing Network /International Association of Firefighters. For more information go to <a href="https://nationaltestingnetwork.com/publicsafetyjobs/cpat_info.cfm">https://nationaltestingnetwork.com/publicsafetyjobs/cpat_info.cfm</a> or <a href="https://www.iaff.org/cpat/">https://www.iaff.org/cpat/</a></p>
<p>Q. When do candidates need to obtain the EMT and CPAT by?</p>	<p>A. Based on a candidates ranking on the eligible list after the interview, candidates with the highest scores will move forward to the pre-background and CAP fitness assessment. Candidates who possess a <b>valid EMT certification and CPAT, and are fully vaccinated against COVID-19 or have an exemption</b> will then be considered for a field investigation.</p>

## DRILL TOWERS

<p>B. When are the Drill Towers (Fire Academy classes) scheduled to begin?</p>	<p>A. Drill Towers are scheduled based on LAFD hiring needs and City funding. We anticipate continuous hiring for this position in the near future.</p>
<p>Q. How many candidates will be chosen for each Drill Tower?</p>	<p>A. The LAFD determines how many firefighter trainees are scheduled for each Drill Tower, based on LAFD hiring needs and City funding.</p>

## GENERAL QUESTIONS

<p>Q. How long does the whole process take to become a Firefighter?</p>	<p>A. The Firefighter selection process is a multi-step process that may take up to a year.</p>
<p>Q. How do you decide which candidates move forward for the medical examination and psychological evaluation?</p>	<p>A. After the Field Investigation is completed, a final review of qualifications is completed by a panel of LAFD representatives, and then the Fire Chief makes the final decision.</p>
<p>Q. If I pass everything, when do I get hired?</p>	<p>A. Candidates are usually hired for the next available Drill Tower after they have passed all portions of the selection process and have provided valid EMT and CPAT certification.</p>
<p>Q. Everyone in my family is a Firefighter. I know the job and I was very prepared. Why wasn't I selected in the final review of qualifications process?</p>	<p>R. Each candidate is evaluated on their individual performance, choices, judgments and behaviors. A candidate may be well qualified, but the level of competition for this examination is extremely high and only a small number of the most qualified candidates are selected by the LAFD to move forward in the process.</p>
<p>Q. What does it mean by 'original' birth certificate?</p>	<p>A. Candidates born in the United States must provide an original, or certified copy of their birth certificate issued by a governmental agency. The certified copy of the birth certificate will usually have a "purple" stamp verifying the information by the county where the candidate was born. A registrar's raised, embossed, impressed or multicolor seal and signature are present on all certified birth certificates, and it also contains the date it was filed with the registrar. Hospital or "abstract" birth certificates are not acceptable. A birth abstract is a computer summary of the information related to the birth. United States citizens born abroad must furnish a birth certificate issued by an American embassy or consulate.</p>
<p>Q. My Non-Select Letter says I cannot appeal the decision-why not?</p>	<p>A. A non-select letter indicates the candidate participated in the selection process, and was not selected to move forward in the process by LAFD. Non-Select candidates have not been disqualified, so there is no appeal process. Candidates who applied in 2020, and received a Non-Select Letter, may reapply in the 2022 examination process.</p>
